A stacked bar chart showing the distribution of total dextramer count per cell across three categories: 0-100, 100-200, and 200-300. The y-axis represents the proportion of cells, ranging from 0.0 to 1.0. The x-axis is labeled 'Total dextramer count per cell'.

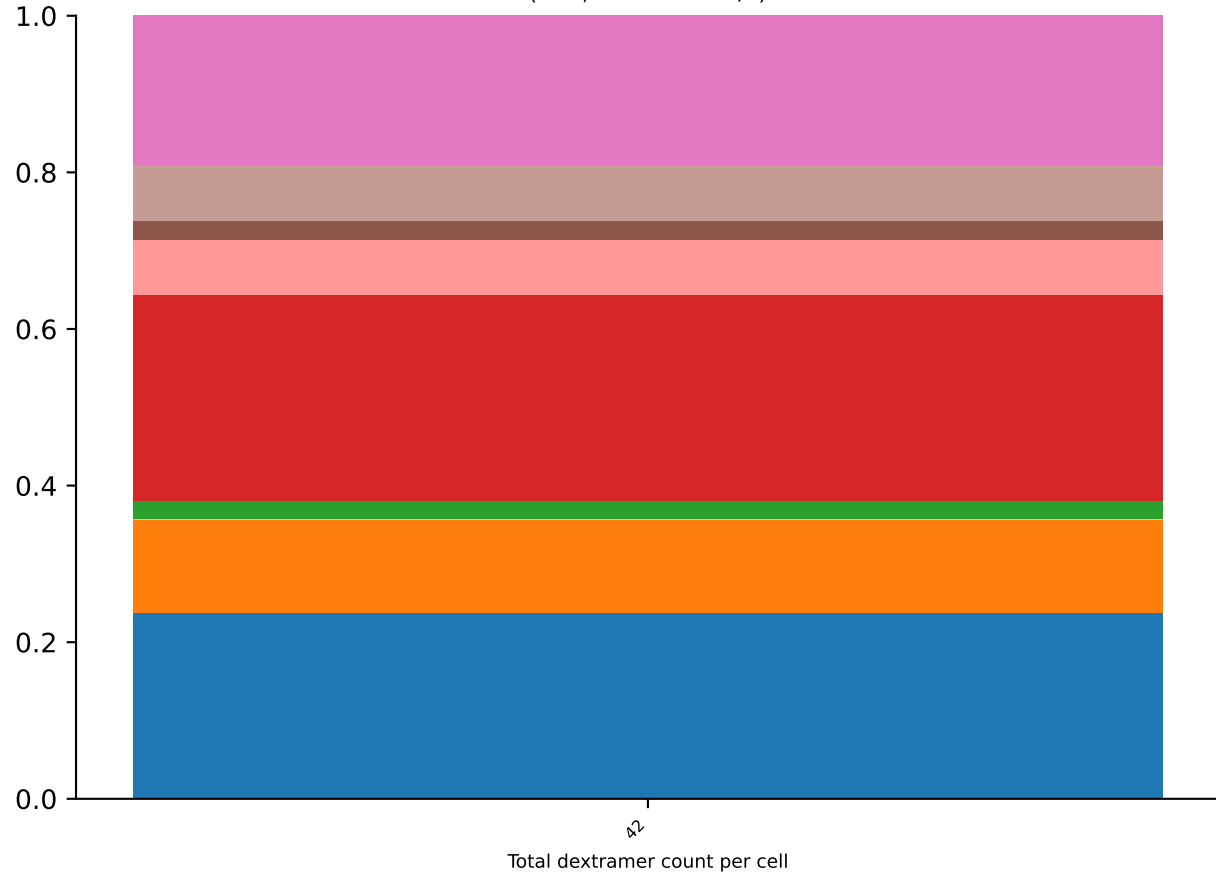

Total dextramer count per cell	Proportion of cells
0-100	0.33
100-200	0.17
200-300	0.50
